<input type="checkbox"/>	Exercise Scientist/ Fellow	\$260	\$136.50	\$273

Terms & Conditions

A 5% administration fee will be incurred if paying by instalments.

A \$5 charge will be incurred if an instalment payment is declined by the bank.

The first instalment must be received via the post at National Office by 1 February 2012.

The second payment will be automatically charged to your credit card on 2 July 2012 and a second receipt will be issued.

If the expiry date of the credit card is prior to July 2012 (07/12) you must contact the Association with the new details of your card once it is renewed.

Memberships paid for by the instalment method will be non-refundable and cancelled memberships/accreditation will still incur the second payment on 2 July 2012.

If you change your membership status before 2 July 2012 the full second payment will still be incurred and no refunds will be given.

Accreditation certificates will be issued for the full year and their validity will be subject to payment of the second instalment. Members will be notified if there is a problem with their second transaction and will have 14 days to supply payment details. If the payment is not received by 16 July 2012, membership and accreditation will be cancelled and statutory bodies (Medicare, Workcover & DVA) will be notified.
